Dealcorp and Polaris 3083 are delighted to announce our silver sponsorship for this year's Wellness Walk and Research Run, a fundraising event held for the Olivia Newton-John Cancer Wellness and Research Centre.

On September 11th 2016 the event will take place at La Trobe University, Bundoora with thousands of participants expected on the day. Funds raised will go to supporting the vital care programs and fund breakthrough research to help people living with cancer a better quality of life and the tools to beat the disease.

If you want to support the event, the team at the ONJ Centre would be happy to discuss any of these opportunities with you in more detail, so feel free to reach out to their Corporate Partnerships Manager 03 9496 4129.
