

PURCHASER CONSTRUCTION UPDATE

The building structure for Summit 22 is making its mark on the Polaris skyline with concrete slabs poured for all floors and the roof structure nearing completion. Services installation has commenced on the lower levels of the building and framing of walls is well underway across Level one.

Blockwork installation is nearing completion and window installation will commence over the next fortnight. The builder is progressing on programme with forecast completion for early 2017 well on track.

Dealcorp will keep you updated with regular updates throughout the construction process. Should you require additional information please do not hesitate to contact the office on [03 9826 2650](tel:0398262650) or email polaris@dealcorp.com.au

POLARIS 3083 PROUDLY SUPPORTING THE 2016 WELLNESS WALK AND RESEARCH RUN - SEPTEMBER 11TH 2016

WE ARE THRILLED TO ANNOUNCE POLARIS 3083 AS A MAJOR SPONSOR ON THE UPCOMING CHARITY WALK AND RUN TO RAISE VITAL FUNDS FOR BREAKTHROUGH CANCER RESEARCH AND WELLNESS AND SUPPORTIVE CARE PROGRAMS AT THE NEARBY AUSTIN HOSPITAL.
