

Introducing 4248

Residential development by Dealcorp

In the heart of South Yarra is [4248](#), a new residential development set to launch next month with beautifully appointed one, two, and three bedroom apartments developed by local established developer, Dealcorp and designed by Plus Architecture and Interiors. 4248 has been designed for those who enjoy all that comes with the South Yarra lifestyle.

[Hub Furniture](#) has collaborated with 4248 as a project partner to furnish its onsite display suite and offer potential purchasers the opportunity to consult on an exclusive furniture suite upon completion. Hub will extend an exclusive discount on furniture orders placed by apartment buyers.

The contemporary apartments have been designed to make modern living a more spacious and luxurious experience, featuring lashings of natural light, ample storage and first-class inclusions.

See more on [4248](#) [here](#) or contact Bradley Dean 0413 508 866 for a private appointment at the display suite.
